DON'T BRING THE FOLLOWING

- **ELECTRONICS:** iPods/iPads/Kindles, etc.
- **Cell Phones!** We try very hard to allow students the opportunity to be fully-present at the event, and part of that includes 'unplugging' from outside distractions. We also would like to not have to worry about electronics being lost or stolen while we're away. (Students can be reached via Aaron's cell or they can use a leaders' phone in case of an emergency)
- **Drugs, weapons, or any other things you know would get you into trouble.** 😊
