- ♥ Pray for **safe travel** to and from Kenosha, WI and also around the city each day as we serve.
- ♥ Pray for **good health** for all students and adults and for working conditions outside to be tolerable.
- ♥ Pray for no one to become ill while we're away.
- ♥ Pray for **our bus driver** who we consider to be part of our team! Pray for us to impact them in a way that will change their heart forever.
- ♥ Pray for the **team of leaders from GROUP** that are preparing for us to arrive! Praise God for their willingness to serve in Kenosha this summer and plan an incredible week for our group.
- ♥ Praise God for the **adult team from Westwood** willing to give up their week of work and time with families to walk alongside of this wonderful group of students to serve and grow.
- ♥ Pray for the **students attending**...that this week will be a week of fun, full of friendships but also a week where God gets their attention and works in BIG ways in their hearts! Pray for impact!!!
- ♥ Pray for **families** that are sending these kids to feel peace about their kids being away from home and joy and excitement for the great things happening in their hearts and lives.
- ♥ Pray that everywhere we go in Wisconsin, **people will see Jesus** through our actions & words.
- ♥ Pray for **those in need** that we will be serving...that through our service, they will see and feel hope in their darkness.
- ♥ Pray for growth in every student's heart and **their relationship with Jesus!**
